

The Georgia Institute of Technology

ORGT Volunteer Driver Agreement

Thank you for agreeing to volunteer your services to the Georgia Institute of Technology (GIT). Please affirm your acceptance of the terms of this agreement, stated below, with your signature.

1. I agree to serve as a volunteer with GIT serving Campus Recreation Center – Outdoor Recreation (ORGT).
2. I agree that my participation in the activities outlined in the Description of Volunteer Duties (which is part of this agreement) is not in exchange for any consideration (e.g., pay, benefits, the promise of future employment). I acknowledge that, in exchange for my services as a volunteer, I have neither been promised any consideration, nor do I expect to receive any consideration.
3. I agree that as a volunteer I will not be acting as a GIT employee or student. I understand & agree that GIT & I both have the right to end my volunteer relationship with GIT at any time, for any reason, and without advance notice.
4. GIT is self-insured through the Georgia Department of Administrative Services against claims brought under the Georgia Tort Claims Act (50-21-20 et. seq.). This coverage is provided for volunteers in programs organized, controlled and directed by GIT for the purpose of carrying out the functions of GIT. I UNDERSTAND THAT COVERAGE DOES NOT APPLY WHEN I DEVIATE FROM THE COURSE OF MY VOLUNTEER DUTIES.
5. I understand that, as a volunteer, I will not be entitled to any employee benefits. I understand that GIT will not provide me with accident or medical insurance, and is therefore not responsible for any accident or medical expenses that I incur in the course of my volunteer affiliation. I agree to maintain health insurance coverage during my volunteer activities and shall provide proof of such coverage upon request. If I utilize my personal vehicle, I understand that GIT does not provide comprehensive or collision insurance for my personal vehicle.
6. I understand my participation as a volunteer may involve certain risks which have been explained to me, including but not limited to: bodily injury or death sustained while leading or participating in adventure trips in inhospitable and remote environments such as rugged backcountry areas, on or near rapidly moving water, in caves, or in areas exposed to temperature extremes. Injuries may occur when teaching certain or techniques and when observing and/or participating in adventure activities (hiking, climbing, caving, kayaking, bike riding, etc.). In addition, I understand that I may be exposed to other risks that may not be foreseeable. I voluntarily accept these risks.
7. I agree to abide by all applicable rules and regulations of GIT and any of the department or units where I engage in volunteer activities. I also agree not to disclose any confidential information concerning patients, participants, research subjects, unpublished research data, and other confidential information of which I may learn in the course of my volunteer service. I acknowledge and agree that any intellectual property I may create in the course of my activities at GIT shall be the property of the Georgia Tech Research Corporation (GTRC) and will be governed by GIT's Intellectual Property Policy. I release and hold harmless the Board of Regents of the University System of Georgia, GIT, GTRC, their members, employees, agents and authorized representatives from all losses, damages, costs, expenses, claims, demands, rights and causes of action resulting from my personal injury, death, or damage to property arising out of my volunteer activities.
